SEALINK FREIGHT POLICY

- Sealink reserves the right to refuse to carry freight that does not comply with our Freight Policy or Dangerous Goods Code and the vessel's Master has the final decision
- Sealink will not accept unaccompanied freight
- Sealink takes no responsibility for any loss or damage to freight
- No alcohol is permitted in the Freight Trolleys

DANGEROUS GOODS CODE

To comply with the Dangerous Goods Code, SeaLink vessels are not permitted to carry the following as freight or luggage:

- wet cell batteries
- cement and plaster bags
- oil based paint
- machinery (unless brand new)
- sulphuric acid
- industrial cleaners
- corrosives
- pool chlorine
- used paint tins
- tyres
- radioactive materials
- sharp objects and glass panels
- petrol and diesel
- explosives
- oxy/acetylene
- dirty car parts
- compressed gasses
- fertilizer
- engine oil and fuel
- furniture
- combustion engines

I declare that all freight items comply with the SeaLink Freight and Dangerous Goods Code policies.
